SOUTH AMERICAN HANDICAPPERS MEETING, JULY

Between July 7th and 22nd, the members of OSAF Handicappers' Committee held their quarterly web meeting. In attendance: Diego Montaña (URU), Head of Committee, Oscar Bertolletti (OSAF CEO).

From Argentina: Miguel Careri, Darío Serino, Gabriela Alonso, Pablo Sanroma; from Brazil, Vicente Britto and Ricardo Ravagnani; from Chile, Julián Bernal and Jorge Farfán; from Panama, Carlos Alberto de Oliveira and Armando Hill-Piña; from Peru, Carlos Ericsson; from Venezuela, Gustavo Sanson Curiel, and OSAF Executive Secretary, Silvina Koremblit.

A review was made of the current situation of OSAF member countries, as regards the resuming of racing in some of the regional racecourses, in the frame of the COVID-19 pandemic and local quarantines. The countries which are currently racing (with no public attending) are Brazil, Peru, Uruguay and Venezuela.

The performance of horses rated 105 and above, from the period between July 1st 2019 and June 30th 2020, was evaluated, and their ratings were agreed. These will serve as basis for the assessment of Group races quality from the local and OSAF's Pattern Committees.

For the first time, ratings from horses running in Panama and Venezuela were evaluated and determined, as these two countries are now fully working within the South American Committee, and they have been incorporated within the List of South American Thoroughbred Ratings.

The Weight for Age Scale applied in OSAF member racecourses was reviewed, and the new scale shall become effective as from July 1st 2021. OSAF shall publish and circulate the new scale, shortly.

The complete list of approved Ratings shall be published and available through our website, shortly. Below, the list of Thoroughbreds rated 115 and above:
